The People Declare that the City Shall Build the Underground Road.

THIS VOTE IS A BINDING ONE

Construction Must Begin Within Thirty Days After the

Official Count.

Big Centracts to Be Put in Opera-Jion Before Winter

Sets In

According to returns received at Police Headquarters and tabulated this morn question has been decided by the voters in favor of the city building an underground railroad under the provisions of the following act:

of the city within which such railway or railway. The car dropped suddenly, just as of the such pletton of the lettaled plans and specification, as required by the set hereby amended, at least thirty days prior to the next general election, to file with the public officer or officers within the observation of the set in the public officer or officers within the observation of rapid transit road," and the other half in number of which shall read: "For municipal construction of rapid transit road," and the other half in number of said supplied to separate belief to supplied the separate belief to supplied the separate belief to supplied the supplied to supplied to supplied the supplied to supplied to supplied to supplied to supplied to supplied the supplied to supplied to supplied to supplied the supplied to supp

inasmuch as it demonstrates that the people are in favor of building the road for themselves by an average majority of not less than four to one.

The First and Seventh Assembly Districts vote 4 to 1 in favor of rapid transit, while the Tenth Assembly District asks for the same thing by a vote

trict asks for the same thing by a vote of 4 to 1.

That the people insist upon municipal construction of an underground railway in this city, which means fifteen minutes to Harlem, was further emphasized at 1 o'clock to-day, when 550 election districts show 55,807 votes for and 18,322 against the measure.

The result of the vote is final and binding. It positively determines the subject, and the city now builds the road.

RETURNS STILL COMING IN

lyn Against the Consoli-

dation Measure.

430 City Election Districts Give 30,722 for and 18,895 Against It.

VOTE OF THE CITY OF BROOKLYN.

With a Few Missing Districts It Shows 2,309 Votes Against.

Returns for the vote in this city on the "Greater New York" scheme indicate that a majority of the votes have been cast in favor of consolidation. A tabulation of the returns at Police Headquarters this morning shows that the vote in this city on the consolidation jects, and to devise a complete system

issue is, in round figures, 115,000 for and 83,000 against. Nearly two hundred election districts of the city, which have been officially counted, show a vote of 23,752 for and 10,791 against consolidation.

It is evident from the returns that a large proportion of voters neglected to cast their ballots upon this question, but taking these figures as a masis, tis o timated that the majority in New York City in favor of consolidation will reach

With four wards yet to be heard from in Brooklyn to-day the vote for consol! dation over there is lost by 2,309. The vote is so close that until all the returns on the question are canvassed, the result

annot be definitely known. The town of Flatlands, the vote of have voted for consolidation.

The following table shows the vote by

"With such men as Pat Divver, John Sheeban, Barney Martin, Tom Grady and that crowd running the machine, Winter, even if the vote is against the what else could be expected but a color Winter, even if the vote is against the question in Brooklyn."

The greatest difficulty has been experienced in getting returns on consolidation at the Brooklyn Police Headquarters.

Few of the wards were completed to-day, and many of them were missing entirely. From figures given to the members of the Consolidation League at the various station-houses, with 190 of the 682 election districts still missing, it is shown that there were nearly 1,000 more votes cast against the question than for it.

The hopes of the members of the al slump such as we have just

1.843 for consolidation.

The scheme for the "Greater New York" proposes the consolidation under one city government of New York and Brooklyn, the whole of Richmond and Kings counties, with portions of Westchester and Queens.

The whole area covered by the Greater New York will comprise more than 317 square miles.

According to the last census the population of the cities, counties and towns which it is proposed to combine as the Greater New York is only a few thousands short of 2,000,000.

The cities include New York, Brooklyn and Long Island City; then Richmond County and the towns of Westchester, Flushing, Newtown and Janace, and there is also covered under the provisions of the bill those portions of the

sands short of 2,00,00.
